

# MT-8114 Crimp Tool for 6P/RJ11 and 8P/RJ45 Crimp

## Quick Details:

1. Place of Origin: Zhejiang, China
2. Brand Name: Melontel
3. Model Number: MT-8114
4. Application: Crimping
5. Product name: Crimping Tool
6. Specifications: 4P+6P+8P
7. Function: With Cable Tester
8. Material: Steel
9. Color: Gray

10. Warranty: 1 year
11. Packing: Blister Card
12. Weight(with package): 520.6g
13. Size:27\*11\*3.5cm

### **Description:**

Modular Crimping Tool allows for easy installation of Cat5e and Cat6 connectors. It is a reliable crimping tool that consistently delivers superior results. Flat cable cutter and stripper are embedded.

### **Feature:**

1. Fast, Reliable and Easy To Use RJ-45 Crimper. The classical scheme of high-quality crimping tool.
2. 3 functions in 1 Universal Tool. Two sockets for Crimping connectors plus Cutting and Stripping.
3. For any Ethernet CAT-5/CAT-5E/CAT-6 /Cat7 and any Telephone Cable.
4. For all types of connectors 8P8C/RJ-45, 6P6C/RJ12, 6P4C/RJ11 plug.
5. Full-cycle ratchet mechanism prevents the release of the connector prior to full compression.

## Structure:

## Size:

## Usage:

1. Put the cable into the corresponding stripping port for stripping, and the stripping length is 3-4cm
2. Put the stripped cable into the cutting port and cut it flat
3. Insert the cable into the modular connector in the correct wire sequence
4. Insert the Modular connector into the corresponding pressure interface
5. Hold the modular connector with one hand and press the handle with the other hand.
6. Remove the modular connector and complete the crimping.
